# ENERGY, WATER & ENVIRONMENTAL SUSTAINABILITY

Chairs: Brissa Sotelo-Vargas, Valero  
Co-Chairs: Noah Perch-Ahern, Glaser Weil  
Frank Lopez, Southern California Gas Company  
David Jacot, LA Department of Water and Power  
Thomas Wong, Southern California Edison

## ENERGY, WATER & ENVIRONMENTAL SUSTAINABILITY COUNCIL

June 6, 2019

10AM-11:30AM

### 1. WELCOME & SELF-INTRODUCTIONS-

### 2. PRESENTATIONS

#### **What's Next for the Delta?: Metropolitan Water District Updates**

- **Jeff Kightlinger**

*General Manager and Chief Executive Officer, Metropolitan Water District of Southern California*

Jeff Kightlinger was appointed general manager of the Metropolitan Water District of Southern California in February 2006. He will discuss recent developments with the organization, including the Delta Conveyance And Design Construction Authority (DCA) under a new governor, and MWD's new recycled water project. The Metropolitan Water District is the largest municipal water provider in the country. As general manager, Kightlinger oversees the district's annual budget of \$1.8 billion, 1,800 employees, and water deliveries to 14 cities, 11 municipal water districts, and one county water authority.

Q&A

### 3. UPDATES

- ACCESS: Sacramento Recap
- State legislative items
- AB 617 CSC Update – Boyle Heights, East Los Angeles, West Commerce

### 4. UPCOMING EVENTS

- Health Care Council 6/7
- Joint Innovation and Technology and Education Council 6/14
- BizCon 6/19
- Clean Air Action Plan Advisory Meeting 6/25
- Pancakes & Politics 6/28

**Next Energy, Water & Environmental Sustainability Council In-person**

August 1, 2019

Ad-hoc Legislative Update Call TBD – Contact Kendal Asuncion at [kasuncion@lachamber.com](mailto:kasuncion@lachamber.com) for details

CHAMBER OF COMMERCE

**Jeffrey Kightlinger**  
General Manager & Chief Executive Officer  
Metropolitan Water District of Southern California

Jeffrey Kightlinger is general manager and chief executive officer for The Metropolitan Water District of Southern California. The Metropolitan Water District is the largest municipal water provider in the nation delivering an average of over 2 billion gallons of water a day to 19 million customers across Southern California. Metropolitan serves one out of every two Californians in the six counties of Los Angeles, Orange, Riverside, San Bernardino, San Diego and Ventura.

Kightlinger was appointed general manager in February 2006. As general manager, he manages the District's \$1.8 billion annual budget and 1,800 employees to ensure the safe and reliable delivery of high quality water every day throughout Southern California. He reports to a board of 38 members representing 26 member agencies.

Kightlinger has an undergraduate degree from the University of California at Berkeley and a law degree from Santa Clara University. He serves on a number of boards including the Coro Foundation, the USC Price School of Public Policy, the UCLA Sustainability Advisory Board, the Climate Action Reserve, the California Foundation on the Environment and the Economy, the Los Angeles Economic Development Council and the Los Angeles Area Chamber of Commerce, among others.

# DRAFT Focused List of Actions to Address Air Quality Priorities

Air Quality Priority	Strategy	Potential Action
Neighborhood Truck and Automobile Traffic (Including Truck Concerns from Railyards and Warehouse Related Truck Traffic)	Enforcement/Collaboration/ Public Info & Outreach	Conduct enforcement sweeps with CARB; Partner with the City and County of Los Angeles, and the City of Commerce on land use planning issues, restrictive truck routes; Collaborate with appropriate agency on restrictive truck routes and improvements of complaint/response systems
Rail	Incentives/Public Info & Outreach/Collaboration	Expand outreach efforts (e.g. fairs, workshops) to distribute incentive information to equipment owners; Partner with CARB to identify older trucks in community as targets for incentives
	Regulation/Collaboration	Continue development of Facility-Based Mobile Source Measure (Indirect Source Rule); Support CARB on petitioning the U.S. EPA for new national locomotive emission standards
Metal Processing	Incentives	Incentivize older diesel equipment changeout (i.e. locomotive)
	Public Info & Outreach/Enforcement/ Collaboration	-Conduct outreach and education to workers and small businesses on best management practices and South Coast AQMD rules; Collaborate with the City of Los Angeles on permit cross-checks -Conduct "No Fault" inspections and outreach to businesses on best management practices; Outreach and enforcement could potentially lead to emission reductions
	Monitoring/Enforcement	Conduct mobile monitoring to determine where stationary monitoring or where enforcement follow-up may be needed
Rendering Facilities	Enforcement/Public Info & Outreach/Collaboration	Conduct outreach on existing rules and 1800-CUT-SMOG; Conduct enforcement follow-up, where needed.
Auto body Shops	Enforcement/Public Info & Outreach/Collaboration	Conduct "No Fault" inspections and outreach to businesses on best management practices and available low Volatile Organic Compounds (VOC) or zero-VOC coatings or solvents; Collaborate with the City of Los Angeles on permit cross-checks
Schools/ Hospitals/ Parks and Community Centers	Exposure Reduction	Install school air filtration systems and training on proper filter use
	Public Info & Outreach/Collaboration	Collaborate with Los Angeles County Department of Public Health and AltaMed on air quality advisories and/or asthma related programs

Emission reduction

Exposure reduction
