Health Care Council Meeting  
August 28, 2015  
10 - 11:30 a.m.

1. Welcome and Self Introductions

2. California's Growing Health Care Workforce Needs

   Amar Mann, Senior Economist and Branch Chief of the Western Region  
   U.S. Bureau of Labor Statistics

   Teri Hollingsworth, Vice President of Human Resources Services  
   Hospital Association of Southern California

   Ellen Zaman, Director of Community Affairs/Government and Public Policy  
   Children’s Hospital Los Angeles

3. Information Items/Legislative Issues for Discussion

   L.A. County Take-Back Program Proposal Update  
   Brandon Stephenson, Cerrell Associates, Inc.

   Academy of Applied Myofunctional Sciences 1st Congress (Sept. 9-13, 2015)  
   Marc Moeller, Academy of Orofacial Myofunctional Therapy

4. Upcoming Events

   October 2, 2015 – Special Health Care Council Tour of MLK  
   October 7, 2015 – ACCESS City Hall

Next Council Meeting:  
October 2, 2015 from 10-11:30 a.m.  
SPECIAL TOUR: Martin Luther King, Jr. Community Hospital  
1680 E. 120th Street, Los Angeles, CA 90059
Amar Mann
Senior Economist and Branch Chief of the Western Region
U.S. Bureau of Labor Statistics

Mr. Amar Mann is a Senior Economist and Branch Chief of the Western Region for the U.S. Bureau of Labor Statistics (BLS), an agency of the Department of Labor, that collects, processes, analyzes, and disseminates statistical data to the American public, other government agencies, business, and labor representatives. The Bureau publishes timely data in reflecting rapidly changing conditions in the construction industry and the overall economy.

Mr. Mann holds a B.A. degree in economics (Yale University) and a M.A. degree in energy and resources (University of California, Berkeley), and is a professional economist. He has more than a decade of experience working in the broad field of labor economics and statistics. Since 2007, he has overseen the BLS Economic Analysis and Information division in San Francisco, where he helps to disseminate BLS data through reports, articles, and the BLS website. He has authored numerous scholarly articles on the economy of the western U.S. and industries such as high-tech and temporary help services. Mr. Mann has also served as a frequent media spokesperson on labor and economic data.
Terri Hollingsworth
Vice president of Human Resource Service
Hospital Association of Southern California

Terri Hollingsworth is vice president of human resource services at the Hospital Association of Southern California (HASC), a regional hospital trade association. Because of the specialized focus of her position at HASC, Ms. Hollingsworth provides the association’s human resources services to member hospitals across the state. Each year, Ms. Hollingsworth engages hospitals to collect key information used to produce human resources benchmark reports on compensation, benefits, workforce and HR metrics. These reports are widely used by hospitals and are considered to be primary resources for information. Ms. Hollingsworth also develops education and training programs and serves as an industry representative on workforce issues. Known for her business development skills, Ms. Hollingsworth manages the association’s Endorsed Business Partner program where she is responsible for identifying and vetting potential vendors for partnership that deliver quality services and generate value-added benefits for members. Ms. Hollingsworth holds a Bachelor of Arts in organizational management from Vanguard University and a Master of Arts in management from the University of Redlands.
Ellen Zaman
Director, Community Affairs/Government and Public Policy
Children’s Hospital Los Angeles

Ellen Zaman is the Director, Community Affairs/Government and Public Policy at Children’s Hospital Los Angeles. CHLA is a 317 bed tertiary care pediatric teaching hospital. Ms. Zaman has served at CHLA in numerous administrative posts and has been responsible for the operations, clinical, teaching, and research activities of numerous Hospital Departments. Through her leadership in hospital operations and planning, she has developed and implemented numerous patient, family, hospital and external programs. She currently is responsible for local government, business and civic relations. She has also been Principal Investigator on numerous patient care programs and grants.

Actively working with many health care, business, government, professional and civic organizations, Ms. Zaman is involved in many city, county and regional initiatives. She serves on the Board of Governors of the East Hollywood Business Improvement District since its inception in 2006, working with area stakeholders on neighborhood revitalization and community development. She serves on the Health Care, Education/Workforce, and Government and Civic issues Councils of the Los Angeles Area Chamber of Commerce. In the past, she has chaired the Metro Hospital Collaborative, to steer the work of a five hospital collaborative in efforts to assess community health needs and address health care service delivery needs. Ms. Zaman lectures frequently on healthcare delivery, public policy and workforce development initiatives. Other civic leadership activities include work on initiatives of the Hollywood Chamber of Commerce, Vice Chair of the Central Region Economic Development Advisory Board, the Chronic Care Consortium, Mayor’s Hire LA Youth Program, and many others.

Ms. Zaman is President-Elect for Health Care Executives of Southern California of the American College of Healthcare Executives, and also serves on the Board of the Hospital Association of Southern California.

As a Fellow of the American College of Healthcare Executives, Ms. Zaman is Board Certified in health care management. She is also a Fellow of the Southern California Leadership Network/Leadership Los Angeles. She holds a Master of Public Administration from New York University, and a Master of Social Welfare from Fordham University, and is a Licensed Clinical Social Worker, State of California.
MOTION BY MAYOR MICHAEL D. ANTONOVICH AND SUPERVISOR HILDA SOLIS

JULY 28, 2015

On June 2, 2015, the Board of Supervisors directed the Director of Public Works, in coordination with a Working Group that included the Chief Executive Office; County Counsel; the Sheriff's Department; the Departments of Health Services, Internal Services, Mental Health, and Public Health; and the County Sanitation Districts to investigate the feasibility of adopting an ordinance similar to the pharmaceutical take-back ordinance adopted by the Counties of Alameda, San Mateo, San Francisco, and Santa Clara as well as utilizing the County's purchasing power to negotiate producer/pharmacy take-back programs, and to report back in 30 days with recommendations.

Public Works, in collaboration with the Working Group, developed and submitted its report, entitled Managing Unused and Expired Medications and Sharps Waste in The County of Los Angeles, to the Board on July 2, 2015. The Working Group found that adopting a similar ordinance is feasible for the County and recommended that the Board adopt a pharmaceutical and sharps waste extended producer responsibility ordinance in which pharmaceutical manufacturers and producers would develop and fund take-back programs providing collection services that are reasonably convenient and adequately meet the needs of the population being served. The report did not recommend utilizing the County's purchasing power to negotiate take-back programs as this would not be as effective.

The Working Group also recommended drafting the ordinance to allow incorporated Cities within the County to adopt the ordinance by reference, in order to establish a Countywide collection system.

MOTION

SOLIS
RIDLEY-THOMAS
KUEHL
KNABE
ANTONOVICH
WE, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS direct the
Interim Chief Executive Officer, in collaboration with the County’s Sustainability Council
and the Pharmaceutical Working Group, to:

1. Draft an ordinance which requires manufacturers and producers of prescription
and nonprescription drugs and sharps to develop product stewardship take-back
programs to collect and dispose of unused/unwanted pharmaceutical and sharps
waste from County residents;

2. Initiate stakeholder engagement with the pharmaceutical industry and other
stakeholders to solicit feedback on the ordinance; communicate the need to
provide safe, convenient, and sustainably financed take-back options for
consumers to properly dispose of pharmaceutical and sharps waste; and
generate awareness about the collection program that will be created; and

3. Return to the Board within six months with the recommended Ordinance for
consideration.

Bureau of Labor Statistics Data User’s Conference
September 10, 2015
Los Angeles, CA

Event Information

When: Thursday, September 10, 2015
Where: 915 Wilshire Blvd, 9th Floor, Los Angeles, CA
Time: 9:00 a.m. – 2:00 p.m.
Cost: FREE
Registration: Eventbrite link

The Bureau of Labor Statistics (BLS) is the principal Federal agency responsible for measuring labor market activity, working conditions, and prices changes in the economy. Its mission is to collect, analyze, and disseminate economic information to support public and private decision-making.

This conference will give BLS data users the opportunity to speak with BLS economists and learn more about the economic data series we produce. The sessions will provide an overview of BLS programs, how the data are collected, uses, trends, and how to access the data from the BLS web site.

Agenda

Introductions: Richard Holden, BLS Regional Commissioner

The U.S. and Los Angeles Economy: Dr. Robert A. Kleinhenz, Chief Economist, Kyser Center for Economic Research

National Economic Indicators, Developments: Dr. Michael Horrigan, Associate Commissioner, Office of Employment and Unemployment Statistics

Employment Projections, Wages, and Uses for Workforce Development: Rebecca Rust, Assistant Commissioner, Office of Occupational Statistics and Employment Projections

Understanding the National and States Employment Systems: Dennis Reid, BLS Fed-State Assistant Regional Commissioner

Getting Access to National and Regional Data – Visualize This!: Amar Mann, BLS Supervisory Economist, Economic Analysis and Information

Contact Information

Please contact the BLS West Region Information Office if you have any questions at 415.625.2270 or BLSinfoSF@bls.gov
AAMS 1st CONGRESS
Los Angeles, CA | September 9-13, 2015
at the historic Millennium Biltmore Hotel

Shining an interdisciplinary spotlight on prevention, innovative practices and advances in orofacial myofunctional sciences and therapy.

Interpret information from world leaders in their fields about applications of myofunctional sciences and therapy, from the first day of life on involving breast feeding, weaning, chewing, swallowing, dentition, occlusion and other orofacial functions. Identify teamwork strategies to treat people with sleep disorders, craniofacial pain, complex gnathological cases, obesity and much more. Describe the contribution of other health-related professionals in the care of our patients. Identify preventive measures that can be implemented to promote the optimal growth and development of happy and healthy children. Analyze the most updated studies in the field of muscle functions and integrated orofacial functions, from different perspectives.

SPEAKERS

Arlana Ebrahimian, DDS (USA)
Orthodontics: Improving the Standard of Care

Esther Bianchini, PhD (BRA)
Lecture: Myofunctional therapy and sleep disordered breathing: New standards of care for snoring and obstructive sleep apnea

Kevin Boyd, DDS (USA)
Orofacial myofunctional disorders, malocclusion phenotypes and non-communicable disease: An evolutionary perspective

Heather Clark, PhD, SLP (USA)
Motor learning and neuromuscular principles: Applications to myofunctional disorder

Antonio Ferrante, MD, DDS (ITA)
The importance of myofunctional therapy for restoration of the brain function

Michael Gelb, DDS (USA)
Airway-centric dentistry

Catherine Watson Genna, IBCLC (USA)
Organization of tongue movements during breast-feeding before and after frenotomy

Thierry Gouzland, PT, OMT (FRA)
Contribution of orofacial myofunctional therapy in an orthognathic surgery team

Tess Graham, PT, BBE (AUS)
Breathing retraining: Enhancing efficacy of myofunctional therapy and sleep medicine

Christian Guilleminault, MD, DBiol (USA)
1. Sleep-disordered-breathing in children and myofunctional therapy
2. Breathing Re-education and Myofunctional Therapy: Towards Restoration of Continuous Nasal Breathing as the Ultimate Treatment Goal in Pediatric Obstructive Sleep Apnea
3. Short Lingual Frenulum and Obstructive Sleep Apnea in Children

William Hang, DDS (USA)
AIRWAY-keeping orthodontics & myofunctional therapy working together to improve/save lives

Allison Hazelbaker, PhD, IBCLC, FFLCA, CST, RCST (USA)
Panelist

Gabor Hermann, DDS (HUN)
Random shift in orthodontics – Introduction to the modern orthodontics

Sloven Hous, DDS (USA)
Two novel and unpublished cephalometric factors in the diagnosis of OSA

Mihó Imamura, PhD, DDS (JPN)
Long term stability for orthodontic cases with MFT

Virginia Johnson, DO (USA)
Integrating myofunctional Diagnosis into whole patient care: Uncovering the causes of many chronic disease syndromes

Trín Jagomági, MD, DDS (EST)
Panelist

Hilton Justino, PhD (BRA)
Panelist

Pejman Katiarai, DO (USA)
An integrative physiological approach to myofunctional disorders

Lawrence Kotlow, DDS (USA)
Lecture: How breastfeeding and tongue-ties impact OSA

Darius Loghmamaee, MD FAAP FAAFM (USA)
Panelist

Derek Mahony, BDS(Gydi), MScOrthLon, MORTHCS/Engl (AUS)
Developing an ideal arch form in orthodontics

Irene Marchesan, PhD, SLP (BRA)
Lecture: Interference of tongue with the orofacial functions

Patrick Mckeever, MA, BBE (IRL)
Bucofacial Method: Practical workshop for sleep disorders & myofunctional therapy

Michael Mew, BDS (Londi), MSc Ortho (UK)
Lecture: Craniofacial dysplasia, a possible syndrome?
Course: Introduction to orthotropics and craniofacial dysplasty

Joy Moeller, BS, RDH (USA)
Myofunctional therapy in children 0-5 years of age

Viet nghiêm, DDS (USA)
Two novel and unpublished cephalometric factors in the diagnosis of OSA

Giovanni Oûvi, MD, DDS & Maria Daniela Ganovese MD, DDS (ITA)
Lecture: Relationship between arthroglaucoma, anatomical and functional alterations and body posture
Course: Frenum Surgery Master Class

Rakesh Bhattacharjee, MD (CAN)
Panelist

James Redd, DDS (CAN)
Personal experiences with Orthotropics and Myofunctional Therapy

Elíana Riveria, PhD (COL)
Panelist

Mariano Rocabaño, PT, OPT, cCTT (CHL)
The Functional Motor Craniofacial Skeletal Growth, Muscular Transformation, and Myofunctional Therapy: Structural Evidences and a Call to Myofunctional Therapy in Adolescent Intervention

Nancy Rothstein, MBA (USA)
SLEEP: The best preventive medicine

David Rubenstein, PhD (USA)
The role of chronic stress in airway encroachment

Ricardo Santos, SLP, MSc, PhD (PR)
Myofunctional Therapy in Obstructive Sleep Apnea: What More Do We Need To Do?

Carla Sacco, MD (ITA)
Lecture: Role of deep fascia in proprioception and peripheral motor coordination

Franklin Susuniber, M-SLP (PER)
Protocol for the phonoclinical assessment of breathing with scores (PROPAB)
