INNOVATION & TECHNOLOGY COUNCIL

July 24, 2018
10-11:30 a.m.

1. WELCOME AND SELF-INTRODUCTIONS

2. PRESENTATION:

Cryptocurrency and Blockchain 2.0 - How to Utilize New Technologies for Small Business

Presenter: Bryan Myint, Managing Director at Republic Crypto

Cryptocurrency and blockchain are digital disruptors changing the financial landscape in how money is viewed, controlled and utilized. Our speaker will explore this emerging technology and learn how to securely utilize cryptocurrency and blockchain technology for your business.

3. ANNOUNCEMENTS:

- Start-Up Development Update
- Tech Ed Partnerships Update
- Policy Update

Thank you to our 2018 council sponsors

Next Meeting – Joint Council Meeting with Transportation and Goods Movement Council

Tuesday, August 7, 2018 | 10 a.m. – 11:30 a.m.

LOS ANGELES AREA
CHAMBER OF COMMERCE

Bryan Myint
Managing Director, Republic Crypto
Partner, Taureon Capital

Bryan has been investing in cryptocurrencies and blockchain technology since early 2017. Prior experience includes being a strategy consultant for big pharma clients, project manager at early stage startups, and product engineer for medical devices. Bryan graduated from UCLA with a degree in Bioengineering in 2010.
