

# CENTENNIAL CLUB

Celebrating 100 Years of Membership!

For more than 138 years, the Los Angeles Area Chamber of Commerce has been at the forefront of business and civic leadership, advancing a vibrant regional economy. We have not done this alone. For over a century, dedicated member organizations have partnered with us, representing a broad spectrum of industries that strengthen Los Angeles.

In recognition of more than 100 years of partnership, service, job creation, and economic impact, we proudly recognize the following organizations as members of our Centennial Club.
