TRANSPORTATION & GOODS MOVEMENT COUNCIL MEETING
August 2, 2016
10-11:30am

1. WELCOME & SELF-INTRODUCTIONS

2. SHIFTING STREETS IN LOS ANGELES AND THE CITY'S PLAN TO INCREASE MOBILITY
   - Claire Bowin, Senior City Planner, & David Somers, City Planner
     Los Angeles Department of City Planning
     Ms. Bowin and Mr. Somers are responsible for creating and implementing the City's General Plan. Specifically, they will discuss the Mobility Plan 2035, an element of the General Plan adopted this year. This is the department's latest project in creating a livable city for nearly 4 million residents.

   - Jay Kim, Assistant General Manager, & Rubina Ghazarian, Planning Associate II
     Los Angeles Department of Transportation (LADOT)
     LADOT is the city’s transportation department, which works closely in conjunction with the Department of City Planning. LADOT will discuss the transportation element of the Mobility Plan 2035. LADOT will also discuss their latest construction projects that aim to keeping residents safely moving.

3. ANNOUNCEMENTS

   Upcoming Events:
   - Access City Hall: October 5th

Next Transportation & Goods Movement Council
***Note Special Date***
September 13, 2016
Claire Bowin  
Senior City Planner  
Los Angeles Department of Transportation  

As the Senior City Planner for City Planning’s Citywide Policy Planning Division Claire has overseen the development of a number of the City’s innovative policy strategies including most recently the Plan for a Healthy Los Angeles and Mobility Plan 2035.

David Somers  
City Planner  
Los Angeles Department of Transportation  

As the Mobility Planner for City Planning's Citywide Policy Planning Division, David Somers is responsible for implementing the policies and programs of the Mobility Plan 2035. David is currently focused on modernizing the City's development review process to build off of the increasing transportation options and services, and initiating a community driven street planning program.

Jay Kim  
Assistance General Manager  
Los Angeles Department of Transportation  

Jay Kim is LADOT's Assistant General Manager for Mobility Management. He has over 26 years of experience in transportation planning and engineering with the City of Los Angeles. Jay has managed the transportation review of large-scale development projects including Playa Vista, LAX Master Plan, and NBC Universal.

Jay oversees Transit Operations, Parking Management, Parking Violations and Adjudication Bureaus and Taxicab, Medical Transport and Pipeline Franchises and Permits.

P.E., Traffic  
B.S., Mechanical Engineering, UCLA
Rubina Ghazarian
Transportation Planning Associate II
Los Angeles Department of Transportation

Rubina Ghazarian is a Transportation Planning Associate II in LADOT's Mobility Management division. Her role includes planning projects that enhance accessibility, increase travel options, and create a more livable, breathable Los Angeles. Currently she is the project manager for the Bike Share Pilot Program, which launched on July 7.

Previously Rubina was the Bicycle Coordinator for LADOT and a Transportation Planner in Metro’s Countywide Planning Department.

Ghazaian holds a Masters in Planning from the University of Southern California and a Bachelor of Arts and Economics from UC San Diego.
