Reception honors Maria Contreras-Sweet, David Cunningham, announces new Executive Director Peggy Winston

In keeping with an ongoing effort to provide businesses throughout Southern California with an increasingly effective and active voice, the Los Angeles Area Chamber of Commerce has acquired Leadership LA, a renowned leadership development program since 1987.

At a reception this evening, the Chamber announced Leadership LA's new Board of Directors and Executive Director Peggy Winston (photo attached). Leadership LA also honored distinguished program alumni Maria Contreras-Sweet and David Cunningham, and welcomed distinguished guests from LA business, education, government and community organizations.

“This is an incredible opportunity for the LA Area Chamber to become even more involved in the development and encouragement of our emerging business leaders,” said Rusty Hammer, President & CEO of the Chamber. “And the resources and support that we in turn can provide the Leadership LA program makes this the perfect partnership. We welcome Leadership LA to the Chamber family and look forward to the program's growth and success under the able leadership of Peggy Winston and the Board of Directors.”

Maria Contreras-Sweet, President and Co-Founder, FORTIUS Holdings, LLC, and former Secretary of Business, Transportation and Housing for the State of California, was one of two alumni honored by Leadership LA for their civic contributions. “Today's smart business leaders need to effectively navigate through their business *and* political issues and actively shape their outcome. Leadership LA was a critical component to my overall professional development,” said Contreras-Sweet. “I truly value the program and my experience with it. I recommend it to any business person seeking to further develop their business skills and political acumen.”
