LA AREA CHAMBER ENDORSES LOS ANGELES MAYOR JIM HAHN

LOS ANGELES – The Los Angeles Area Chamber of Commerce, the voice of business in L.A. County since 1888, today announced its support for the re-election of Los Angeles Mayor Jim Hahn.

“Mayor Hahn has made bold decisions that have paid dividends for Los Angeles,” said Rusty Hammer, President & CEO, Los Angeles Area Chamber of Commerce. “He understands the critical connection between safer streets and a strong economy. The LA Area Chamber has worked with Mayor Hahn to fight for more of L.A.’s fair share of federal tax dollars, to increase the city’s housing stock, implement business tax reform, and we have worked together to stop the legislative raids from Sacramento on the city’s general fund. We look forward to four more years of his leadership.”

Hammer announced the endorsement at the Chamber today with board members following their meeting, where they voted to support the Mayor.

“Mayor Hahn has shown he has what it takes to lead this city,” said Chris Martin, Chair of the Board, Los Angeles Area Chamber of Commerce and CEO, AC Martin Partners, one of L.A.’s most renowned architecture, engineering and urban planning firms. “L.A.’s business climate has improved over the last four years, and Jim Hahn deserves much of the credit—and a second term as mayor.”
