**STATEMENT ON L.A. COUNTY'S SUCCESS IN
SECURING \$4.5 BILLION IN FEDERAL TRANSPORTATION FUNDING:**

"The Los Angeles Area Chamber of Commerce commends Mayor Antonio Villaraigosa for his efforts to bring more of our region's fair share of federal transportation dollars back to L.A. County," said Chamber Board Chair Christopher C. Martin, CEO, AC Martin Partners. "We are impressed that he has already made two trips to Washington, D.C., since his election, which shows that he is committed to using his political capital for our advantage.

Clearly, there is a lot of work to do on L.A.'s transportation issues, and the Chamber looks forward to complimenting the mayor's lobbying efforts in Congress with our Mobility-21 Coalition."

ABOUT MOBILITY 21

Led by Metro, the Los Angeles Area Chamber of Commerce, and with Auto Club as a strategic partner, the Mobility 21 Coalition is a countywide nonpartisan organization of transportation stakeholders and their representatives. The Mobility 21 Coalition advocates and educates for Los Angeles County's transportation priorities at the federal, state and local levels.
