LA AREA CHAMBER PARTNERS WITH SCORE TO EXPAND ACCESS TO BUSINESS ASSISTANCE IN L.A. REGION

Partnership offers workshops, one-on-one counseling weekdays at Chamber headquarters

Los Angeles, CA – The Los Angeles Area Chamber of Commerce is proud to partner with SCORE, a national nonprofit association of current and retired executives, to offer business counseling and workshops at the Chamber headquarters five days a week.

“SCORE’s consulting services are a perfect fit with the Chamber’s mission of helping our members grow, by providing valuable one-on-one assistance on how to start a business, develop a business plan, obtain financing, implement successful marketing and more,” said Rusty Hammer, president and CEO of the LA Area Chamber.

“Our mission is to provide direction and counsel to individuals who either wish to start a business or are already in business and need guidance,” said Ken Mann, president of SCORE’s Los Angeles chapter. “Being able to offer two counselors per day, Monday through Friday, and provide a centrally located venue for two of our monthly business workshops is a real plus. As the Chamber is dedicated to meeting the needs of businesses in the area, this new working relationship represents a perfect marriage of two organizations joining together to serve the interests of the business community.”

SCORE offers free face-to-face counseling; email counseling; and workshops on business plans, franchising, marketing, finance, publicity, protecting inventions and using the internet to drive business—including the highly popular “Starting and Operating Your Business” monthly workshop. Visit www.scorela.org or call 818.552.3206 for directions, workshop schedules and fees. For a schedule of SCORE events at the LA Area Chamber, visit the online event calendar at www.lachamber.org.
