### *Metro Orange Line Media Ride with Valley Business Leaders*

## VALLEY BUSINESSES JOIN MOBILITY 21 COALITION TO HIGHLIGHT METRO ORANGE LINE'S ECONOMIC BENEFIT TO REGION

**WHAT** Valley business leaders will join members of Mobility 21, a coalition of transportation, business, community and legislative leaders working to develop solutions to the region's transportation challenges, to present the business perspective on the Metro Orange Line's anticipated economic benefits to the region. Following the Mobility 21 meeting, members of the media are invited to attend a press conference at the Metro Orange Line Station and then board the Metro Orange Line for a ridealong to get a firsthand look at the latest, advanced design 60-foot Metro Liner buses. Scheduled to open Oct. 29, the Orange Line will pass through Valley communities from North Hollywood to Warner Center in Woodland Hills.
