**\*\*\* MEDIA ADVISORY \*\*\***

**LOS ANGELES BUSINESS ORGANIZATIONS HOST SPECIAL FORUM  
ON AB 32 – The GLOBAL WARMING SOLUTIONS ACT**

*Forum will Bring Together Regulatory Experts to Discuss How Southern California  
Businesses will be Impacted and Highlight Strategies for Compliance*

**What:** **The AB 32 Special Forum for Southern California Businesses** will bring together regulatory experts to discuss how businesses will be impacted by AB 32 – The Global Warming Solutions Act passed by the California state legislature last year. The session will also include strategies for compliance and how market mechanisms can reduce greenhouse gas emissions. The forum is hosted by the Valley Industry and Commerce Association, AB 32 Implementation Group, Los Angeles Area Chamber of Commerce, Los Angeles Economic Development Corporation, Central City Association of Los Angeles, Metropolitan Water District of Southern California, Future Ports, Harbor Association of Industry and Commerce and Pacific Merchant Shipping Association.

**Who:**

- Program Manager for Greenhouse Gas Reduction at the California Air Resources Board, **Chuck Shulock**
- Partner at Latham and Watkins, LLP and co-chair of the Los Angeles Area Chamber of Commerce Energy, Water & Environment Committee, **Robert Wyman**
- Co-CEO of C02e Emissions and Energy Markets for CantorC02e, **Josh Margolis**
- More than 100 Southern California business leaders

**When:** Tuesday, June 26, 2007  
11:30 am – 1:15 pm

**Where:** Metropolitan Water District of Southern California  
Room 1-102, 700 North Alameda Street  
Downtown Los Angeles @ Union Station

**Why:** AB 32 – The Global Warming Solutions Act – was passed by the California state legislature and signed by the governor a year ago. The law, which requires California to reduce greenhouse gas emissions to 1990 levels by the year 2020, will have a significant impact on Southern California business.
