11th Grade Mock Interviews

Event Description
Volunteers will help 11th grade students practice for summer internship interviews. Students will demonstrate their work readiness skills by performing in a mock interview. Students will come with a resume, sample job application, and prepared to respond to interview questions. Students are also required to dress in professional attire for the mock interviews.

Volunteer Role
Business professionals are needed to interview students and provide valuable feedback. Volunteers are provided interview questions, scoring rubrics, and will be oriented to the scoring materials and interview questions.
