**The Challenge**

**Rents are up. Wages are not.**

Since 2000, **median rent** in L.A. County is up 32% while **median renter income** is down 3%.

**Homelessness increased across the region in 2019**

At the core of the homelessness crisis is housing costs rising faster than incomes.

**Ramping Up**

*Prop. HHH passes November 2016, funds begin flowing summer 2017*

- **6,424** supportive housing units in the pipeline
- **4,120** L.A. City (HHH funded)
- **1,828** L.A. City (non-HHH funded)
- **476** L.A. County

**Catching Up**

**Permanent housing placements are climbing rapidly**

That's an **98% increase** in housing placements since 2015

Thanks to Measure H funding, outreach workers have met with and evaluated 31,596 people who are ready and waiting for housing.

**Homelessness increased across the region in 2019**
