Coronavirus Update:

Telebriefing for Elected Officials, City Managers and County Departments **Public Health Officials Provide Update on Novel Coronavirus (COVID-19)**

California now has the most coronavirus cases in the country. Here in LA County, our cases are rising, the rate of infection is high, and the number of hospitalizations is at the highest level that we have seen during this pandemic. This is mostly due to community spread. It's imperative that we join together and take personal protective steps and implement public health behaviors. The Los Angeles County Department of Public Health (Public Health) will be conducting a telebriefing to give you a situational update, explain key indicators that Public Health is monitoring closely to determine our recovery, and spend plenty of time answering your questions.

WHEN: **Friday, July 31, 2020**
 Time: 4:00 – 5:00 p.m. (PDT)

WHERE: Telephone Call-in **844-291-5494**
 Access Code **6962918**

*Participants are strongly urged to **call in 15 minutes prior** to the start time of the call to check in. Participants will need to provide their name and organization. Call starts promptly.*

WHO: Muntu Davis, MD, MPH, Health Officer
 Los Angeles County Department of Public Health

Dawn Terashita, MD, MPH, Associate Director
Acute Communicable Disease Control Program

CONTACT: LA County Department of Public Health | (213) 240-8144 | media@ph.lacounty.gov

**There is no need to RSVP*
