Coronavirus Update: Telebriefing for Nail Salons, Cosmetology, Massage Therapy and Tattoo Operators

Public Health Officials Provide Update on Novel Coronavirus (COVID-19)

California now has the most coronavirus cases in the country. Here in LA County, our cases are rising, the rate of infection is high, and the number of hospitalizations is at the highest level that we have seen during this pandemic. This is mostly due to community spread. It's imperative that we join together and take personal protective steps and implement public health behaviors. The Los Angeles County Department of Public Health (Public Health) will be conducting a telebriefing to give you a situational update, explain key indicators that Public Health is monitoring closely to determine our recovery, and spend plenty of time answering your questions.

WHEN: **Wednesday, July 29, 2020**
Time: 1:00 – 2:00 p.m. (PDT)

WHERE: Telephone Call-in **844-291-5494**
