## INVITE ONLY

### Coronavirus Update:

## Telebriefing for Restaurants, Businesses and Chambers of Commerce Public Health Officials Provide Update on Novel Coronavirus (COVID-19)

Public Health will conduct a telebriefing to update you on the latest COVID-19 response, discuss the State's recovery road map and updated Tier Framework that classifies Each California County based on its daily case rate and positivity rate, and spend plenty of time answering your questions and hearing from you. While the COVID-19-related data looks promising, we need to continue implementing infectious control measures to help slow community transmission so we can open up more business sectors and schools in the county.
