

Live, Work, Play in Downtown LA

With the launch of Plug and Play Los Angeles, we are excited to designate 100 units at TenTen Wilshire for any startups selected for Plug and Play's corporate innovation program.

Over the next 60 days, any entrepreneurs and startups that apply and get accepted into Plug and Play's program in LA will be considered for investment by our team. Additionally, the top 10 startup applications will be awarded 6 months of complimentary rent at our TenTen Wilshire complex to live, work, and play.
