

With the help of Verizon Small Business Digital Ready, iCare Clean now bills over \$3M a year.

New \$10,000 grant opportunities now available.

The grant period is open between February 21 - April 8, 2024. Qualifying is **free and easy**:

- Your business must be in an eligible Los Angeles-area zip code.
- Register free for Verizon Small Business Digital Ready.
- Complete any combination of two courses, coaching or events, free, between January 1, 2024 and April 8, 2024.

Plus, access on-demand tools and support that can help further your business - **always free and available on your schedule.**

1:1 Coaching

Attend workshops with experts for real-world advice and direct industry leader access.

Personalized learning

Short courses available in English and Spanish from experts covering topics crucial to your business.

Peer networking

Build a support network with local small business owners to share industry news, tips and future business opportunities.

Incentives

Along with grant opportunities, unlock discounted products and services to upgrade the way you do business.

With the help of Verizon Small Business Digital Ready, iCare Clean now bills over \$3M a year.

Joe Alvarez and Erick Castillas, Co-owners of iCareClean and grant recipients.
