## 01 PILLAR Training sessions

TUE, JUN 23 · 10:00 – 12:30 ET

Companies will learn about the project cycle, procurement policies, the Procure+ initiative, and much more..

## 02 PILLAR B2G Networking

WED, JUN 24 · 10:00 – 12:30 ET

Executing agencies will present public procurement opportunities that are expected to be launched within the following 12 months.

## 03 PILLAR B2B Matchmaking

WED, JUN 24, 13:00 – THU, JUN 25, 21:00 ET

Pre-scheduled 30-minute meetings between companies to build partnerships that facilitate international participation in IDB-financed projects.

## WHO WILL ATTEND

Get to know the types of participants

### International companies

Firms from Asia, Europe, and North America seeking to participate in IDB-financed projects and find local partners.

### LAC Project Developers

Latin American companies looking to participate directly in IDB procurement processes with government executing agencies.

### SMEs from LAC

Regional firms aiming to integrate into value chains as local partners, subcontractors, or specialized suppliers.

### IDB Representatives

Procurement specialists who will provide guidance on policies, the project cycle, the Procure+ initiative, and available opportunities in LAC.

### Executing Agencies

LAC government agencies that execute IDB projects and carry out procurement processes with the private sector.
